A Police Clearance Certificate Malaysia, is an official document issued by the Royal Malaysia Police that confirms an individual's criminal record status. It attests that the person has no criminal convictions or pending charges within the country during a specified period. The certificate is often required for various purposes such as employment, immigration, or residency applications, both domestically and internationally. Applicants typically need to submit fingerprints and personal information to initiate the clearance process, which varies in duration depending on the administrative procedures of the issuing authority.
